Hussmann Acquires Commercial Refrigerator Door Company and STYLELINE Door Products

Bridgeton, MO – September 30, 2015 - Hussmann Corporation announces the acquisition of Commercial Refrigerator Door Company based in Sarasota, FL. Family owned and operated since 1975, Commercial Refrigerator Door Company offers a full line of STYLELINE products, including heated and energy-free glass door and frame systems for walk-in coolers and freezers and a wide range of shelving and merchandising accessories. “Commercial Refrigerator Door Company is excited to be part of the Hussmann organization as we continue providing industry-leading door solutions to our growing base of customers,” said Jeff Winsler, one of the second generation family members leading the company.

In addition to its display case and refrigeration system products, Hussmann is an innovative leader in developing and offering glass door products to the retail food industry. The acquisition of Commercial Refrigerator Door Company will expand Hussmann’s ability to offer of a complete line of glass door solutions to its wide range of food retail customers.

“We are pleased to welcome Commercial Refrigerator Door Company to the Hussmann team. It was clear the Winsler family took great pride in this business. Working with Jeff Winsler, we plan to carry that proud tradition forward,” said Tim Figge, President, Hussmann Corporation. “We look forward to the new opportunities this alliance brings and to the expanded value and portfolio we can now provide to our customers.”
